Huntington Beach Joins "Next Century Cities"

Huntington Beach is proud to be a new member of "Next Century Cities," working with cities across the nation in developing a broadband infrastructure for our country and for the benefit of our communities. Next Century Cities is committed to continuous innovation, transforming the local business community, creating a vibrant start-up and tech economy, and bridging the digital divide. Huntington Beach recognizes the importance of leveraging gigabit level Internet to attract new businesses and create jobs, improve health care and education, and connect residents to new opportunities. Next Century Cities is committed to celebrating these successes, demonstrating their value, and helping other cities to realize the full power of truly high-speed, affordable, and accessible broadband. We look forward to collaborating with other members and improving access for our residents.

Magic of Composting Seminar on Saturday, June 18, at Shipley Nature Center

Shipley Nature Center is the site for a seminar on backyard composting and food composting with worms on **Saturday, June 18 at 9:30 a.m.** Approximately 90 minutes in length, the lecture covers the various techniques for reducing waste and creating rich compost for lawns and gardens. The cost is \$10 per person. Seating is limited so register in advance to reserve your spot at www.shipleynature.org.

Huntington Beach residents who attend will receive a \$50 voucher that can be used toward the purchase of a backyard composting unit or complete worm composting kit (1 voucher per household). If you can't make it to our June event, sign up for the **August 20** workshop.

Shipley Nature Center is located in Huntington Central Park, 17851 Goldenwest St., Huntington Beach 92647. The Magic of Composting is sponsored by the Department of Public Works, Rainbow Environmental Services, and Friends of Shipley Nature. For more information visit the Shipley website at www.shipleynature.org.

Free Disposal of Bulky Items for Residential Trash Customers

If you are a residential trash customer (who use the three carts) you are eligible for the **10/4 Pick-up Program**. This free program allows residents to schedule special collections of up to **10** bulky items per appointment, **four** times per year. Qualifying items include bags of trash or yard clippings (that will not fit in the trash or yard waste cart), appliances, furniture, and mattresses. Contact Rainbow Environmental Services at (714) 847-3581 to schedule your 10/4 Pickup appointment. Most 10/4 pickups are scheduled for your next regular trash day. Because a special truck is dispatched to collect the items from the curb, please allow a minimum of two business days notice for scheduling. Residents are responsible to get all items to the curb for collection.

If you live in apartments or condos with blue dumpster, you can pay a nominal fee for a special pickup for items that do not fit into the dumpster. Contact Rainbow Environmental Services for information on the fee and eligible locations.

2016 City Drinking Water Quality Report Now Available

Have you ever wondered what is in your glass of water or where it comes from? Well that information and more is included in the 2016 City of Huntington Beach Drinking Water Quality Report which is now available. As in previous years, the City water system continually meets or exceeds all State and Federal standards on drinking water. Regulations require water agencies to prepare an annual water quality report, sometimes called a Consumer Confidence Report, and distribute it by July 1. The City has completed the 2016 Report and is currently mailing it to all residential and commercial water users throughout City of Huntington Beach and Sunset Beach. Hardcopies are also available at public counters at City Hall, City Libraries, and the Rogers Senior Center. An electronic copy is also available on the City's website at: http://www.huntingtonbeachca.gov/Government/Departments/Public_Works/utilities/. For further information please contact the Public Works Utilities Office at (714) 536-5921.

Huntington Beach Art Center

The Huntington Beach Art Center presents a closing reception for the exhibition **Time Lines** on Saturday, June 18, from 2 to 4 p.m. The artists will be in attendance and the event is free and open to the public. The exhibition focuses on the topic of aging as seen through the eyes of six photographers and one sculptor.

Call the Art Center at 714.374.1650 for information or visit our website at www.huntingtonbeachartcenter.org.

66th Annual HB Pier Swim

Approximately 275 participants entered the water on Saturday, June 11, for the 66th Annual HB Pier Swim. Michael Brineyor was the fastest swimmer of the day with a time of 8 minutes and 47 seconds.

Awards were given in 16 different divisions and the Gene Belshe Memorial Perpetual Trophy, presented to the team with the highest combined scores, went to Swim Long Beach. Beach Lifeguards were stationed in the water, on the beach, and on the pier to make sure that everyone made it around safely. Both swimmers and spectators agreed that it was a great way to spend a Saturday morning in Huntington Beach!

Read for the Win!

The Huntington Beach Public Library is reading for the win this summer. At least that is the theme to our ever popular Summer Reading Program. Patrons of all ages (we have programs for children, teens, and adults) will have the opportunity read and win! This year, the teens and adults will be playing library bingo for virtual raffle tickets. We are having weekly drawings and a drawing for two grand prizes at the end of the program.

Everyone is encouraged to sign up online by going to www.hbpl.org and clicking on the "Sign-up for Summer Reading" image. The program runs June 11 through July 30.

CITY CLERK'S OFFICE

New City Clerk Named

On Monday, June 6, at the City Council Meeting outgoing City Clerk Joan Flynn sworn in the City's 12th City Clerk, Robin Estanislau.

A 15-year Huntington Beach resident, Robin has served the City for more than 17 years (in Administration, Planning, and the City Clerk departments) and has five additional years of public service in the employment of the City of Arcadia.

Robin has performed a variety of duties in the Office of the City Clerk for 11 years and is held in high esteem by staff, department heads, elected officials and throughout the community. She is equipped and ready to fulfill all of the duties of the City Clerk.

Outgoing City Clerk, Joan Flynn (left), swears in Robin Estanislau—the City's 12th City Clerk — while her family looks on.

BUSINESS DEVELOPMENT DEPARTMENT

GOT FUEL? THE FUEL DOCK IS UP AND RUNNING!

Fueling for our marine community is once again a reality!

The former operator of the Mariner's Point Fuel Dock, ceased operations on October 1, 2015. The City Council and staff worked with the operators, County and State Lands Commission to try to keep the fuel docks operating. While operating a fuel dock is not a City function, ensuring the future availability of fuel in our community was of great importance to citizens. The City was able to purchase the fuel dock and sought proposals from qualified operators to restore and renew this important community amenity.

Maxum Petroleum was selected as the new operator, due to their qualifications and vision for the Huntington Beach fuel dock. The company has been in operation since 1946, and successfully operates fuel docks in Seattle, Portland, San Francisco, and Los Angeles. Once Maxum purchased the site from the City, they began the process of bringing the location into compliance with various State and local requirements for operation of new fuel dock. They also completed numerous upgrades and improvements, and officially began serving the Huntington Beach marine community on May 25, 2016.

Maxum Petroleum is open seven days a week and is located on the channel behind Simple Green, near the entrance to the breakwater. Hours are Monday-Thursday from 7 a.m. to 5 p.m., and 7 a.m. to 6 p.m. on Friday, Saturday and Sunday.

To reach them by phone, please call (562) 280-0103.

City Manager's Report

POLICE DEPARTMENT

Coyote Management Plan

We continuously receive calls and emails regarding coyote sightings and complaints/issues with coyotes. Overly aggressive coyotes have been reported in several areas of the City, especially in the area of Warner Ave. and Bolsa Chica Road. The City of Huntington Beach has adopted a Coyote Management Plan. The goal of the plan is to support coexistence with urban coyotes using education, behavior modification, and development of a tiered response to aggressive coyote behavior.

To reach this goal, the City has developed three primary strategies: public education, enforcement of laws and regulations prohibiting the feeding of wildlife and appropriate tiered responses to coyote and human interactions. These strategies require active participation on the part of the entire community.

The City of Huntington Beach requests the community to complete the on-line form to report the sighting of and/or actions of coyotes. The City will use this information to take the appropriate public safety response according to the Management Plan.

The online Coyote Incident Reporter reporting form can be accessed via the City's website (www.huntingtonbeachca.gov) by going to the "I Want To" link followed by the "Report" link and then the "Coyote Issue" link. The Coyote Incident Reporter link can also be found under the City's website "Web Spotlights" section.

The reporting form can also be accessed by clicking on this direct link:

http://www.huntingtonbeachca.gov/i_want_to/coyote-info.cfm

The above link also has videos on: "How to Haze a Coyote" and "Living with Coyotes in HB"

The City of Huntington Beach Coyote Management Plan, Preventing Coyote Conflicts, and Coyote Hazing Guidelines can also be found through this link.

Coyote behavior, Coyote Attractants in Urban Areas, Hazing and Behavioral Change, Monitoring and Collecting Data, Response and Attack Plan and much more information can be found in the Coyote Management Plan.

FIRE DEPARTMENT

Metallic Balloon Safety

Metallic balloons are a cheerful addition to any celebration, but unfortunately, they can lead to dangerous situations if not properly secured. When metallic balloons are not tied to a weight or released outdoors, they can lead to power outages, injuries, and property damage.

When contact with a metallic balloon results in a downed or dangling power line — even if the line appears not to be live — **do not touch or approach the power line** and call 911 immediately.

RACES Field day

On Saturday, June 25, 2016, from 11 a.m. to 5 p.m., Huntington Beach Radio Amateur Civil Emergency Service (RACES) will participate in a nation-wide drill called "Field Day." During this event, RACES members will make hundreds of contacts from around the nation using High Frequency, Morse Code, UHF, VHF, and more.

RACES (pronounced "RAY-sees"), is a program endorsed by the Federal Emergency Management Agency (FEMA) and the Federal Communications Commission (**FCC Part 97, Section 407**), that uses trained amateur radio operators (Hams) during emergencies. The RACES Program is administered by the Fire Department. RACES members use their personal equipment and skills, and volunteer their time to provide this service at no cost to the City.

The public and the news media are invited to observe and participate in the radio exercise which will be held on the bluff top area at Golden West and PCH. For more information contact Brevyn Mettler, Emergency Services Coordinator, at 714-374-1565.
